**OLD BUSINESS**

**A, Building Committee:**

Building engineer, Gordon, reported that Sheryl was able to facilitate installation of our phone line. The number is 253-4755

Approval from L & I was finally received and the elevator has been ordered with delivery expected about April 18. The elevator people made a visit last Thursday. For some reason the L & I people think we need air conditioning to keep the mechanical room cool. Probably won't do this.

The wrong doors for the bathrooms were delivered incorrectly **THREE times**. Therefore we will modify the wrong ones with the hope to add trim.

The 4 x 4 Club hauled up the sheet rock for Jay to use in the bathroom in the auditorium.

Despite a meeting with Avista and the electricians, we still have no answers. Hopefully soon regarding an agreement on the wiring for the elevator.

Construction supervisor, Maynard, indicated that his company would shampoo the carpets so that item will be removed from our bid from Serve Pro for cleaning.

**NEW BUSINESS**

**GOOD OF THE ORDER**

Billie reported that she met with the folks from Steinway and it was a very positive conversation. There is some interest in a private party purchasing the school piano but we are not at liberty to sell it.

The video that Karen did of the piano delivery, etc. has been very well received with lots of views on Facebook and our website.

The Executive Committee will meet at a future time to come up with a budget.

Meeting was adjourned at 8:45 p.m.

Respectfully submitted,

Linda Wagner, Secretary
