OLD BUSINESS

Building Committee:

The new name for Silhouette Lighting is VIP Productions.

A "to do" list is being formulated. Please tell Ed, Mark, Gordon or Carol any ideas.

Carol has all the materials to tag the pipes, and she is working on a user's manual. Carol also reported that the bat deterrent is now in a temporary place on the floor of the stage and will be mounted **above** the stage eventually.

The power supply unit to control the chandeliers from the back is here. It still needs some adjusting.

There are now a first aid kit upstairs and one downstairs.

Grants:

We received \$1,300 from the USBank grant which will pay for three years of internet and a laptop computer. Great news!

Art Room:

The piano recital on May 22 was wonderful! The students have all really improved, and Heather Safe will continue teaching. She is considering the possibility of doing one lesson per month.

Sheryl suggested just putting quilted fabric at the bottom of the current piano cover. She will take care of it.

Other:

The Amazon Smile account is getting set up.

The Lions Club said they will match any funds we can come up with to get an AED unit. Another suggestion was to use the one from the Memorial Hall when we have an event which may be a more practical idea.

Events:

The quilt show was a big success.

The Rummage Room will be open on June 10 from 9 a.m. till 3 p.m.

August 25 at 7:00 p.m. Bridges Home

The Needhams during Fall Festival.

Still working on the UFO event in October.

A 25th anniversary celebration will be on October 15th with Dr. Jody Graves from EWU presenting a concert. A performance agreement will be sent to her.

More discussion will be needed regarding Wheatland Theatrical's proposal.

Heidi Muller offered to do classes at the school. She will be directed to the school personnel if she is interested.

NEW BUSINESS

GOOD OF THE ORDER
